Guide to Harare Polling Stations

29 March 2008 Harmonised Elections

Remember! - To vote in the 29 March election, you have to go to a polling station within the Ward in which you are registered.

If you are a **Harare** resident, follow these steps to find the polling stations for your ward:

- **Step 1 – Find your Ward by suburb**

Find the name of the suburb where you live on the index on **Page 2**.

- If there is only one Ward number listed next to your suburb, proceed to *Step 3*.

- If there is more than one Ward number listed after your suburb, go to *Step 2* to clarify what Ward you are in.

- **Step 2 – Suburbs covered by more than one Ward**

If more than one Ward covers your suburb – **suburbs highlighted in blue**, use the guide on **Page 3** to clarify which Ward you are in.

- **Step 3 – Polling stations by Ward**

The polling stations for each ward are listed from **Page 4** onwards. Go to the list for your ward, and take note of the different polling stations available to you.

- Polling stations are open from 7am – 7pm.
- If you are in the queue at 7pm you **MUST** be allowed to vote
- Remember to bring your national ID or passport to vote.
- Bring your own pen to the polling station - Just in case!
- Only citizens of Zimbabwe may vote.

Please print out this list and share with others.
